Pittsburgh Chinese School Newsletter November, 2007

校長的話

尊敬的全校师生员工及家长:

自 1977 年匹兹堡中文学校建校以来,逐渐地成为大匹兹堡地区的中国文化中心。不仅仅培养出上百个双语人才,也为华人后裔在美国主流社会追求成功的同时寻求自己的文化根源提供了一个良好机会。回顾我们中文学校长期以来在社区中所作的贡献,无怪乎好长期以来在社区中所作的贡献,无怪乎坚么多家长不辞辛苦,长年累月,在每个星期天里都挤出宝贵的时间坚持不懈的把孩们学校学习中文。展望未来,我们面对的新挑战就是:我们如何能把我们学校可为学习中文。展望未来,我们可能把我们学校可知识,使得我们学校成为学习和望去的地方。为了能实现这个目标,我对家长,学生和老师都有一个要求:

- 对所有送孩子来中文学校学习的家长,请你们一定要相信并支持我们的学校,坚信来这里就能学到扎实的中国语文与文化。但是你们每天在家要督促孩子讲中文,读中文,并完成中文老师为您的孩子布置的作业。您自己也要多多关心并参与中文学校的活动,把中文学校作为自己的家,这就叫"爱校如家。"您的孩子的中文学习成绩和成就与您有紧密地联系。
- 对我们中文学校的学生来说,能拥有 这样一个良好的机会来匹兹堡中文学校学 习中文而感到荣幸,了解中国的语言和文 化,是非常幸运和荣幸的。学生们应该珍 惜每一时刻,对于父母为自己孩子能得到 最好的教育及老师对于教育事业的奉献和 努力应予以真切的感激和理解。真正的意 识到在中文学校的每一分钟都是难能可 贵,不可多得的。

■ 在匹兹堡中文学校教授中国语文及文化的老师,更应该时刻牢记我们的肩上的重任,不辜负家长们和学生们对我们的期望。充分有效的利用课时,使老师们奉献的时间和精力在培养和教育我们快速成长的下一代上得到充分的体现。

为了达到上述目标,我们校方全体工作人员,所有家长,学生和老师都扪心自问:为我们的学校达到上述目标我都做了哪些努力?我们能达到或超过匹茨堡中文学校制定的 12 年级学生须掌握至少 1500 个汉字的基准吗?我们的孩子对中国传统古典作品了解多少?我们的孩子对于中国风土人情又有多少了解?我们的学生是否能在听,说,读,写,译五个方面熟练的运用和领悟中国语言及文化?如果这些孩子在我们的中文学校学过 12 年的中文学习后还无法达到这些标准化,那么谁该为此失败负责呢?(校长:高鹰)

Dear PCS Students, Parents, Teachers, and School Administrators:

Since its establishment in 1977. Pittsburgh Chinese School has become a Chinese cultural center in the Greater Pittsburgh Area. Not only our school has produced hundreds of bilingual talents for the United States, it has also opportunities for provided descendents of Chinese Americans to search for their roots while finding success in the mainstream. Look at all Pittsburgh Chinese School has done for our community, no wonder so many people have been sending their children to Pittsburgh Chinese School every Sunday year in and year out. What can we do to make Pittsburgh Chinese School an even better place for people to get together, to learn, to share and to look forward to every week?

■ For parents who send their children to Pittsburgh Chinese School, we must believe that our children are getting solid Chinese education in our school; but at home we need to encourage our children to speak Chinese, read Chinese books and complete Chinese home work. We must also set up good example for our children by being actively involved in School Chinese 's activities. Remember, this is your school and this is your Without your total involvement and belief in our school, our school can not achieve our goal or accomplish mission. Your achievement in Chinese learning depends on you!

For students who attend Pittsburgh Chinese School , they should understand it is a great privilege to have such a great opportunity to learn Chinese language and culture. The students truly appreciate their parents' efforts to their education and the teachers' dedication to their education. The students treasure every minute they spend in our school;

For teachers who teach Chinese language and culture in Pittsburgh Chinese School, they should understand how much responsibility our parents and students place on their shoulders, how valuable each minute means to our fast growing youngsters, so our teachers have dedicated all their time and energy to the Chinese education for our next generations.

To reach the above goal, this administration only wants to ask all parents, students and teachers ONE Ouestion –What have you done for our school in order to reach the above goals? Can all of us reach or surpass the benchmarks that our school set for all of us throughout the years? i.e. Can our 12th graders know at least 1500 Chinese characters? Have they read all Chinese classics? Do they know most of the Chinese customs and manners? Can our students comprehend Chinese language and culture in all five areas: listening, speaking, reading, writing and translating? If our students fail to reach these benchmarks after studying Chinese in our school for over 12 years, who is respons ible for the failure? (Principal: Gaoying Bolinger)

董事長的話

亲爱的全校师生和家长:

每学期一次的校刊总要有一篇"董事长的话"。这事似乎已经成为传统,今年恐怕也不能免俗了。想到要重复前"辈"们的那些"唠叨",还要使用"欢迎"和"我希望"这样的官方字眼,便觉得笔下沉重,我心有戚戚焉。

同大多数读者一样,我只是一名普通的家长。由于两个孩子都在中文学校读书,对于中文学校的管理和发展,我有着深切的期盼和难以推卸的义务。一年多前,我被各位家长推举为董事会成员,并于上学期结束后接任新一届的董事会会长。新一届董事会成立伊始,便配合校方寻找新的校址,为中文学校的未来,探求发展空间。通过实地考察之后,董事会于七月份决定,将新校址选择在Allderdice High School。这样,学校不但因此而节省了大量的租金,同时也走出了过去因场地限制而在教学安排上捉襟见肘的诸多困境。接踵而至的便是秋季学期的开学。

这真是一个"多事之秋"。初次走进 Allderdice High School 庞大的教学楼,让 众多的人,尤其是学生和家长顿时眼花缭 乱,迷失方向,这在开学初,曾一度造成许 多忙乱。另外,校方在解决了教学场地的鬼 制之后,自己却要默默地承担起因储藏至,随着时间的推移,学校的诸多变化不禁令师 耳目一新。在高鹰和陈蓉两位校长的间,了 耳目一新。在高鹰和陈蓉两位校长的间,可 上也扩大了教师队伍,不少新老师加入了两 是它列,每个班级老师与学生的比例有了理 大的改善,新的课程设计和教学质量理规 划已经付诸实施,而前所未有的中文读书活 动也正在酝酿和筹划之中。

支持和配合校方的工作是我们这一届董事会的主要议题。随着本学期进程过半,开学初期遇到的许多困难逐步得到了妥善的解决。如今,为中文学校举办募捐活动已成为董事会工作的首要任务。在财务长黄庆收的主持下,目前进行中的 GiantEagle 礼卷促销,以

及每个星期天在学校饭厅里出售食品和饮料,正是我们募捐活动中的重要内容。因此,家长的大力支持,将是我们募捐成功的 关键。

在过去的几个月里,每一个董事会成员都为中文学校的活动无私地奉献了自己的时间和精力。他们是中文学校的中流砥柱。我想借此机会,向每一个董事会成员表示衷心的感谢。没有他们的支持和帮助,我这个"董事长"也将"徒有其名","一事无成"。(董事长:汪洋)

Dear Teachers, students, and parents:

It has become a tradition that the chairperson of the school board has to contribute an article for every issue of the school newsletter. I will try to avoid using such keywords as "I welcome", "I hope", etc. It is not because I dislike these tasteless "words", but because I don't want to make my writing sound too official.

Like everyone else here who sends kids to Pittsburgh Chinese School every Sunday, I am just an ordinary parent with two boys, one attending PY12 class and the other attending PY3 class. I was elected to be a board member in 2006 and became the chairperson immediately after the end of the last semester, when the board transition took place.

The first task of the new school board was to assist the our school principal, Ms. Gaoying Bolinger, to find a new school campus, a place which is able to accommodate the growing needs of PCS. After making the onsite visit, the board decided to move the campus from WT to Allderdice High School. This move not only helped to cut a large portion of the facility rental fee, but also brought more

space including classrooms available for us to use.

Larger space may not always mean a good thing, especially when we are in an unfamiliar place. In the first day of this semester, many parents felt that they lost direction once they walked into the new school building. We in fact had a quite turbulent day to begin with. The school administration and the board members have worked very hard trying to improve admission and administration the during first processes the few Sundays. In our most difficult time, we felt very fortunate that so many parents volunteered to come forward and offer help.

As time goes by, most of the problems have gradually settled. I am so pleased to witness that many great positive changes have started taking place, under the leadership of our principal and vice principal. We now not only have larger space to grow, but also have a larger pool of quality teachers. The student-teacher ratio has reduced dramatically. Standardizing the teaching materials has been reinforced. The new Chinese reading project is on its way to reach every classroom. All these changes will essentially help to make the high quality of education a reachable goal.

Besides helping the school administration for policy making, an important role the school board plays is to organize fund raising events. The financial support from individuals and organizations will be used to fund teachers training program, student learning program that require travel, and community cultural activities for education purposes. The ongoing activities lead by our Financial Director,

Ms. Qingshou Huang, for selling GiantEagle cards and snacks/drinks in cafeteria every Sunday is part of our fund raising efforts.

Finally, I would like to take this opportunity to thank every board member for their hard work and devotion. When planning and organizing school activities, they are the major driving force behind the scene. I am in debt to them for their strong support. (Chairman: Yang Wang)

亲爱的家长们:

首先感谢大家共同努力,PCS 顺利地搬进了新的校舍。在新的学期,我们非常高兴地看到这么多热心中文教育的家长們,将了们帶到中文学校来。有了新的教学场所,我们中文学校有了更大的发展空间和学校的经济负担,但同时也会面临很多的困难。比如学校的教室环境的不便利,停车场地不足,学生活动场所分散等。我们期待实长们和校方共同努力,克服困难,使中文步校办得更有活力及吸引力,教学质量进一步提高。

和以往一样,这学期我们計划举行兩次家长会,让家长们有机会和校方直接沟通。家长的意見和建议,對於校方的教学及行政有很大的帮助。校方也非常希望家长们多多献计献策。因此,我们在校办公处设立了意见箱,敬请大家多提建议和意见。

我们家长会也希望能多办活动,让家长门在陪孩子上課之余,也能籍着這些活动增长見闻,或者提供娱乐。本学期中家长会己联系了两个讲座。讲座的内容会陆续通知大家。若家长门对活动或讲座有任何意見或建议,欢迎提供給家长会,我們將尽量為大家安排。

Dear parents:

First of all, we are very thankful that PCS has moved into a new facility with great effort from everybody. In this new semester, we are very glad to see our parents who are devoted in Chinese language education bring back so many students to our Pittsburgh Chinese School. The new facility is less expensive and provides an ample opportunity for PCS to grow. Meanwhile we also have some difficulties to deal with such as the environment in some class room is not that convenient, number of parking lots is limited, and activity areas are scattered all over the place. It is expected that parents and the school will work together coherently to make the PCS a more dynamic teaching environment, and further improve the teaching quality.

Like previous semesters, during this semester, PTO plans to have two PTO meetings for parents to have direct communication with our school administration. Parents' opinion and suggestion will definitely help our school to improve the teaching quality and function. Therefore, we set up a box near the school office to collect parents' opinion and suggestion. Please provide your comments and recommendations. PTO hopes that all parents should attend the PTO meeting.

Meanwhile, we are hoping to hold more seminars for parents to enjoy while waiting for their children. So far, PTO has arranged two seminars. The topics of the seminars will be announced in the near future. Please watch out the notes coming home. If you have any special interest on the seminar topics, please feel free to let us know. We will try our best to arrange it for you. Thank you.

病魔无情人有情

刘秀萍女士是我们匹兹堡中文学校原拼音三 B 班的一个学生的母亲。在她与病魔斗争最困难时得到我们中文学校同胞的帮助。家长,老师,和学生共捐款\$1510,特别是拼音三年级 B 班的同学们在徐红雁老师的带领下,拿出自己的零用钱,全班共捐出一百多美元。病魔无情人有情,大家的同胞友爱,使秀萍女士在人生的最后阶段得到了更多的人间温暖。秀萍女士逝世后,中文学校也派代表敬献了花圈。为此,秀萍的家属非常感动并真挚地感谢我们大家的关心与帮助!

校规与安全

中文学校家长巡视员是由家长义工演变而来。巡视员制度对于学校的生存与发展至关重要。由于我们是租借场地,加之学生人数与班级众多,迫切需要大家来共同维护学校的安全和秩序。开学至今学校大体运作顺畅。在此我们向已经值日的家长表示衷心的感谢!希望以后值日的家长坚守岗位,共同为我们的子女营造一个良好的学习环境。

家长巡视员须在当天向设在 Cafeteria 的办公室报道。巡视员主要职责如下:

- 1. 在指定的地点巡视。制止打架,乱跑,喧闹,在走廊里玩球或其他违规行为。
- 2. 制止在教室, 走廊及活动场所(包括Gym) 吃零食和喝饮料。需要者须去一楼Cafeteria.
- 3. 帮助教师教学或维持课堂秩序。
- 4. 盘查并制止可疑的人进入大楼,确保师生

安全与学校财产完整无损。

- 5. 放学时逐一检查各个教室,桌,椅,黑板 及门窗务必恢复原状。
- 6. 帮助学校义卖筹款或在学校组织活动时帮助布置场景和维**持秩序。**

我们也希望各位家长告诫孩子们尊敬老师, 遵守纪律和爱护公物。在学校时家长们务必 以身作则,避免在走廊里高声讲话,在 Gym 里吃东西(包括口香糖)或喝饮料。此外, 为维护正常教学秩序,所有参加旁听的家长 必须坐在教室的最后一排。(训导组)

Disciplines and Safety

Many thanks to parents who have served as Parent Guards in the past weeks. Formerly called Parent Volunteers, Parent Guards are very important to the safety, and smooth operation of the school considering the large number of students and classes on rented premises. Unless you or your spouse are a teacher or board member in the school, each family must serve as a Parent Guard one session per semester. Please report to the office in the Cafeteria on the day of your scheduled service.

The primary responsibilities of Parent Guards are as follows:

- Patrol assigned floor or area. No fighting. No loud-speaking. No ball games in classroom or in the corridor.
- 2. No food or drink in places other than the Cafeteria on the 1st floor.
- 3. Help teachers and classroom activities, if needed.
- 4. Do not allow suspicious person to enter building.
- 5. Recover each classroom (chairs, desks, black or white boards, windows, etc) to its original settings after school.
- 6. Help fundraising, or set tables and chairs in events organized by the school.

In order not to interfere with the class, parents who stay in the classroom must

sit in the last row away from their child. (Guidance)

学生注册

这个学期的学生人数和班级数目都超过上个学期.这个学期一共有294名学生,30个语言班级.和28个文化班级.上个学期我们有276个学生,24个语言班级,和22个文化班.

班.
这个学期我们通过使用电子邮件加强了注册和学生家长的交流.我们发现电子邮件比电话更加可靠及有效.在注册其间 我们通过PittsburghChineseSchool@gmail.com处理了大约 600 封电子邮件.对于那些电子邮件的家长(不到 15%),我们尽量通过传统的通讯方式,比如电话和信件.这学期另外一个重要的改进是家长和老师可以通过互联网http://www.pittsburgh-chinese-school.org/registration.htm及时查询当前注册的名单和班级的人数统计.我们计划在下个学期继续利用互联网加强注册的透明度和工作流程.我们希望通过使用标准的表格,包括申请改班表和入学通知,进一步规范注册流程.

Student registration

We have 294 students enrolled in 30 language classes and 28 culture classes this 2007 fall semester, comparing to the 276 students from 24 language classes and 22 culture classes in the spring semester.

The communication between the Registrar and students' parents are greatly enhanced by emails instead of conventional phone calls, which proved to be more efficient and reliable. There were about 600 emails received and replied at

PittsburghChineseSchool@gmail.com during the registration period. Fortunately, less than 15% of parents do not have emails. We tried to use conventional methods such as letters and phone calls to contact parents who do not have emails on file. Another great improvement is the online students list published on http://www.pittsburgh-chinese-school.org/registration.htm, which provides up-to-date information for both parents and teachers. For the next semester, we will continue promoting our web site as our main communication methods especially for registration process. We will also continue formalizing the registration process by a serials of forms, including the class transfer request form and class admission form.

中文学校野餐会报道

中文学校今年的野餐会是在匹兹堡南面的 Peterwood 公园里举办的。这此活动吸引了很 多的学生,家长,和老师以及大匹兹堡地区 支持中文教育的有关人士。可以说这次活动 举办的相当成功。

八月五日这一天早晨,天公不做美,下起了毛毛细雨。但是,我们中文学校的工作人员和董事会的成员早早地赶到了公园,为学生和家长们准备各种各样的食品。早晨十点钟,雨停了,同学们和家长们陆续来到了公园。中午时分,中文学校的新任校长高鹰宣布"野餐会正式开始",大家排队拿食品,开始并有条的用餐。我们为大家供给的食品除了有汉堡,烤肉,水果和色拉以外,还给大家准备了许多中国食品,尤其是汪存起给大家炸的小鱼,最受欢迎。有位老师说:"在美国能吃到中国特色的炸小鱼,真不容易。"大家边吃边聊,一派热闹的场面。同时已经吃完食品的小孩子们开始踢足球,玩飞盘和橄榄球。

像往年一样, 我们还给大家准备了抽奖活动。下午三时左右,抽奖活动开始。小朋友们聚集在一起, 开始由年龄最小的幼儿抓奖。总共有二十多位小朋友得奖。得奖的小朋友们兴高彩烈。这时候,宾州青少年小姐也到了我们野餐会的现场。他们给我们中文

学校带来了良好的祝愿,祝愿中文学校越办 越好。

今年的野餐会举办的相当成功,这与大家的 支持和积极参与是分不开的。在此,特别感 谢参与活动的学生,老师,家长,董事们的 热情奉献。(活动组:周宏英)

Pittsburgh Chinese School Annual Picnic

We are very pleased that the Pittsburgh Chinese School Annual Picnic was held at Peterwood Park in Southern Pittsburgh on Aug. 5, 2007. Over 200 people including students, parents, teachers, and people who support Chinese education attended this picnic. The PCS board members and school administrators had prepared a lot of foods for our attendants. The food included not only hamburgers, roast meet, but also delicious traditional Chinese foods, such as fried fish. Students and parents played football and soccer after having enough food. We also had gifts for our students who got a chance to win through a Chinese auction. Even Miss Pennsylvania Teen joined the picnic and expressed faithful wishes for our Chinese School. We enjoyed our food and had fun during this activity. PCS Board would like to take this opportunity to express our sincere appreciation to all of you for your great support and collaboration in this successful event.

匹兹堡龙舟节

九月二十二日,天高云淡,阳光灿烂,一年一度的匹兹堡龙舟节在南河公园如期举行。尽管今年的龙舟节没有龙舟比赛,但还是吸引了很多的游人。匹兹堡的中文学

校为了积极参与此节,又一次和匹兹堡的华 人科技协会联手。

为了增强各国人民对中华文化的了解,加强彼此之间的沟通和友谊发挥桥梁作用,中文学校的文艺队表演了丰富多彩的节目,为节日增添了不少的欢乐,赢得了台下观众的阵阵掌声和喝彩。装饰着具有浓厚的中国民族风格特色的中文学校摊位吸引了不少观众的驻足,他们有的人询问中文学校的情况,有的人购买我们的各种工艺品,还有的人感兴趣拥有一叶用毛笔写有自己中文名字的书签,都得到了中文学校义工们的热勤和周到地服务。

我们的中国美食募款摊位提供了丰富 可口的饺子和春卷,游人们争相品尝和赞不 绝口。

龙舟节办得如此地成功应该感谢各位 学生,家长,教职工和董事及他们的家属们 的奉献。

Pittsburgh dragon boat festival

It was a sunny and beautiful day on September 22, 2007. The annual Pittsburgh dragon boat festival was held in the South Side River Front Park as expected. It is the second time that the CAST-P and the Pittsburgh Chinese School organized a joint team. Even though there was no dragon boat teams competition during the festival, it still attracted so many local people to visit there.

To maximum the opportunity to introduce Chinese culture to our American and other ethnic friends, build a more solid bridge between Chinese culture and various cultures, our culture group performed rich and colorful Chinese culture programs. All of the programs performed by the PCS's Chinese culture group got a great and

warm applause from the audience. In addition, the PCS's booth decorated with the strong Chinese culture characteristics attracted many people to stop by, some of them made inquire the Pittsburgh Chinese School, some of them bought the handicraft articles, and some of them liked to have a written their own Chinese name bookmark, our volunteers provided great services to them.

The PCS food found-raising booth also provided delicious home made dumplings and egg rolls, which attracted many people's eye balls. The food got great welcome by the visitors.

PCS Board would like to take this opportunity to express our sincere appreciation to all of you for your great support and collaboration to this success event.

中文读写能力发展的研究结果 (部分)

中文学校的学生学习中文面临着许多挑战。 最突出的一点是中文阅读输入极为有限;比 如,在学校和家里中文报刊书籍等读物都非 常有限。因此学生极少有机会接触汉字。其 二,所接受的中文教学时间极为有限;其 三,在家庭和中文学校外极少有中文听觉和 视觉输入。即便如此,我们的研究仍然发现 中文学校的许多学生的中文读写水平尽管提 高极为有限,但是在短期内仍然得到了发 展。历经两年的时间,卡耐基梅隆大学现代 语言系儿童双语阅读发展研究小组在中文学 校对三、四、五年级的学生汉语读写能力的 发展进行了研究。研究的成果为两篇关于中 文学校华语儿童中文读写能力发展的报告, 分别是: Literacy Development in Chinese as a Heritage Language, 以及 Effects of Print Input on Morphological Awareness

among Chinese Heritage Language Learners (刊登在论文集 Chinese as a Heritage Language (He & Xiao, in press)中. 部分结果报告如下:中文读写水平的发展与以下几个因素紧密相关:1)中文口语词汇量;2)中文词型意识。这指的是识别、分析和使用汉字词中词法信息的能力。比如,能识别"氵"是"河"的表意偏旁,并知道"氵"与"水"相关,并进一步能识别带有该偏旁的其它生字的意思。3)中文阅读量的大小。我们的研究发现与先前关于英语儿童阅读习得的研究发现一致,即,读得越多,读得越好。

对于老师而言,最重要的启示在于,在课堂上讲解汉字、词的过程中,应注意引导学生发现汉字词的规律,而不能强调死记硬背。汉字教学也应注重"重复"。利用在课文中先前出现的独体字来教授和巩固随后出党工会体字,以加深学生对于汉字结构和这一重联的认识。给学生的测试也应体现这一重要性。对于家长而言,这些研究的启示在于场方子交流的过程中应多使用中文,多给还与孩子交流的过程中应多使用中文,多给还有关于交流的过程中应多使用中文,多给汇上,家长也应尽可能地给孩子提供丰富的文阅读资料,以增加他们汉字阅读的经验。

目前我们仍在进一步的数据处理过程中。我们目前的任务是了解学生英文读写能力和中文读写能力之间的关系。今后我们会继续向中文学校的家长和老师们报告我们的发现。 (吕婵)

Research report on Chinese Reading and Writing Development

Students who learn Chinese in a weekend school face many challenges. The most upfront one is extremely restricted print input in Chinese, i.e., print materials both in school and at home are very limited. Also, the time spent on Chinese instruction is minimal; and there is limited auditory and visual input which supports Chinese learning both in school and at home. However,

despite all these difficulties, our study found improvements in students' skills in reading and writing Chinese over a short period of time, although the improvements were limited. In the past two years, the Biliteracy development research group from Department of Modern Languages at Carnegie Mellon University has been focusing on grade 3, 4 and 5 children's literacy development in Chinese. Results were presented in two paper reports, namely, Literacy Development in Chinese as a Heritage Language, and Effects of Print Input on Morphological **Awareness** among Chinese Heritage Language Learners (published in Chinese as a Heritage Language (He & Xiao, in press). Here we present parts of the results:

Children's literacy development is closely related to the following factors:

Knowledge of Chinese vocabulary; 2) Chinese morphological awareness. This refers to ability to recognize, analyze, and manipulate morphological information in characters and words. For instance, being able to recognize "?" as the semantic radical of "河", and know that it has to do with "water", in addition, being able to use this part of the information to infer the meaning of new words which contain the same semantic radical; 3) The breadth of one's reading. Our result is consistent with previous findings on English monolingual children, which shows the more one reads, the better one could read.

For teachers, the most important implication is that, when teaching Chinese characters and words, we should encourage students to *discover* the *regularities* of Chinese morphology. Rote memory should be discouraged. Also, "repetition" is important in class.

We should make use of previously learned characters and recurrent parts of characters to build up students' knowledge of characters and words. By doing so, we could also promote their better understanding of regularities in Chinese characters and words. Such ways of teaching and learning should be incorporated in assessment, too.

For parents, the implication is that home literacy environment is very critical in helping students learn Chinese. Therefore, parents should promote the use of Chinese with children in daily conversation, read more stories to your children, and help expand their oral vocabulary. Parents are also encouraged to provide rich print materials in Chinese to the children in order to increase their experience with print processing.

Right now we are still in the process of data processing. Our current focus is to understand the relationship between reading and writing skills in English and in Chinese. We will keep PCS parents and teachers updated.

PCS 2007 Fundraising Activities

1. Dragon Boat Festival - Art and Crafts Sale

PCS participated in the Dragon Boat Festival with CASTP again on 9/22/07. Many volunteers and Board members worked together to make the event successful. In addition, PCS had a booth to sell various arts and crafts to promote Chinese culture and have fundraising. We'd like to thank the people (Hong Tao, Qing Ye, etc) who donated many nice and special items to the event. Cunqi Wang showed impressive Chinese calligraphy on bookmarks mostly made by Rong Chen that consist of significant net of fundraising that day. We have gained total of \$288 from the event.

2. Giant Eagle Gift Card Sale

A lot of students and families have participated in the Sale of Giant Eagle Cards (\$5000). All profits of \$250 gained from this activity will be used in purchasing 2008 Chinese New Year Dinner Party's presents or gifts for students. A lot of parents didn't get a chance to order the cards yet. PCS board has ordered another \$5000 so that PCS will get \$500 profits. If each of family purchases \$50 of the Giant Eagle cards, we'll meet the goal ($\$50 \times 200$ families = \$10,000). The class and parent who sell the most Giant Eagle Gift Cards will get a surprise! We thank all families that have participated in this fundraising activity.

3. Selling Snacks

Students are only allowed to have food and/or drinks in the cafeteria area! To help to obey the rule of the school, PCS has resumed selling snacks during school hours (from 2:45 PM to 4:15 PM) in the cafeteria. PCS sells not only delicious snacks and drinks that are much cheaper than those from a vending machine, but also reference books, of Giant Eagle Cards, and other items. It provides another opportunity of fundraising.

4. Other Fundraising Plan

- PCS has formed a special group for applying grant. This group is led by Gaoying Bolinger and Zhiqing Zhuang. They will write proposals and submit them to the corresponding committees for funding through government/foundation. Please contact Gaoying Bolinger or Zhiqing Zhuang if you have any experiences on writing proposals and willing to contribute your time to PCS.
- PCS has formed another special group for pursuing potential supporters. This group is lead by Rong Chen and Hong Tao. They will contact our parents and submit the solicitation letter to the key person in the corporations (Eaton, PPG, UPMC, Alcoa, Seagate, etc) by our parents and get funding. We need our PCS parent's help to find out those potential companies. Please contact Rong Chen or Hong Tao if you work for those types of corporations. (Qingshou Huang)

PCS 2007 年的集资活动

1. 匹茲堡龙舟节的工艺品销售

PCS 同 CASTP 再次联合于九月二十二日参与了一年一度的龙舟节。许多义工的齐心协力使活动取得圆满成功。PCS 设有一宣传摊位以展示各种中国文化并出售工艺品。 在此,特别感谢家长们(陶虹,叶青,等等) 无私地捐献出了许多精致的珍藏。汪存启先生的中国书法表演吸引了众多的游客。他为很多游客在书鉴上(由陈容精心制作)书写中文名字而集资可观。当天,PCS 的销售总额达\$288。

2. Giant Eagle 礼券

很多学生和家庭都很积极地参与了5000美元的Giant Eagle礼券销售活动。从Giant Eagle礼券所得利润250美元将全部用于购买2008新年春节晚宴的礼物回赠给学生。因许多家长仍然希望购买,中文学校已定购了第二个5000美元Giant Eagle 礼券。这样一来中文学校可以共获得500美元利润. 如果每个家庭购买50美元 Giant Eagle 礼券,我们将轻而易举地达到我们的目标(\$50 x 200 家庭 = \$10,000)。购买Giant Eagle礼券最多的班级和个人今年将获得惊喜。我们感谢所有参与销售 Giant Eagle礼券的学生和家庭!

3. 出售点心及饮料

为帮助学校完善规章制度(教学楼内,不容许在餐厅以外的任何地方吃东西),中文学校的家长义工及董事在餐厅出售点心及饮料(2:45PM~4:15 PM)。利用此机会,不但学生在下课时能购买比自动售货机便宜得多的点心充饥,中文学校也能出售教学参考书及 Giant Eagle 礼券等。它既方便了学生,也给中文学校提供了集资的机会。

4. 其他集资活动

中文学校已成立了一个申请基金的特别小组,互责写申请/建议书,并提交给相应的评委会,通过政府/基金会申请基金。此小组由高鹰和庄子青领导。如果家长们有这方面的经验而且愿意出谋献策,请与高鹰或庄子青联系。

中文学校还成立了一个筹集资金的特别小组,互责挖掘和联络在大公司 (Eaton, PPG, UPMC, Alcoa, Seagate,等)工作的家长,让家长提交集资函给所在 公司的关键性人物,力求得到资助。此小组由陈容和陶虹领导。希望家长们帮助挖掘潜在的赞助公司。如果你在这类单位工作,请与陈容或陶虹联系。(黄庆收)
